This is the home page for faculty. It provides a table of all portfolios you have created, a brief summary, and the options to view, edit \mathcal{O} , or delete \mathfrak{O} .

The color code at the beginning of each row provides a visual indicator of the status (<u>under</u> <u>construction</u>).

Viewing your Portfolio

Choosing the view option will take you to the page shown below. These pages are read-only pages

Editing Individual Sections

Sections drop down list contains the 5 major sections of your portfolio. To edit a section, select it from the list and click the *edit selected section* button.

The figure below shows the page for *Research and Grantsmanship* section. This section contains 7 subsections. Selecting a subsection will give you a rich-text editor where you can enter text.
