

In addition to participating in all academic activities, pregnant students may participate in extracurricular activities such as school clubs, class activities, sports, and other school sponsored organizations, at their discretion. Adjustments to the regular student program that are reasonable and responsive to the student's pregnancy status shall be made upon the student's request (i.e., providing larger desk or allowing frequent trips to the water fountain or restroom).

Resident Life Pregnancy Policy:

Pregnant students may reside on campus during their pregnancy. Claflin's facilities are
