

Claflin University
School of Education Ability of Completers
to be Hired in Education Positions
2021-22

The Claflin School of Education EPP collects self-reported data to determine the rate at which certified Initial program completers are employed teaching positions or enrolled in graduate school one year after program completion. This data does not include completers who have chosen positions in other fields and/or have not notified the EPP that they are employed.
